SECTION X GIRLS TENNIS (updated 8/27/11)

A. Game Times/Dates/Scheduling

1. The schedule will be set by the Conference Commissioner and approved by the Athletics Directors and distributed to the Athletics Directors by August 1st of the previous year.
2. The conference schedule:

Conference Play – Season

Divisional Play - 5 dual meets within division

Positions will be determined from these five matches by Overall record (win/loss) Tie-Break* using head-to-head between teams
*if three-way tie (matches won/lost within the three teams), positions will be determined by sets lost, games lost or coin toss.

Tier Play/Crossover – two dual meets based on positions following divisional play

In the first round of play, the home team* will be determined by alternating years between divisions beginning at East. The first round of tier play will be determined by records after the dual play, with the match-ups given below. The Conference Commissioner or designee will contact coaches and Athletics Directors by 9 a.m. the following school day regarding place and time for the first cross-over match. The second round will match winner vs. winner, loser vs. loser at West.

1E vs 2W and 2E vs 1W → Finishes will result in places 1 - 4

3E vs 4W and 4E vs 3W → Finishes will result in places 5 - 8

playing for 1-4 are determined, their final place will be determined solely on their results of the cross-over and tier play. For example: ND may have lost to SW during the “regular season”, finishing 2nd in the West Division, but during crossover and tier play, they win both their matches, thier dual meet finish would be FIRST. This would be similar for the other two brackets, 5-8 and 9-12.
