

Preble Tennis Camp 2010

Dear Parents and Players,

Tennis is a sport that can last a lifetime!

To enjoy the game of tennis, it is desirable to start out with proper instructions to avoid poor stroke production. Many players develop bad habits as a result of never taking lessons.

The **Preble 5th Annual Tennis Camp** will help players understand the game, learn skills, and have fun learning this life-long sport. Players do not need to know how to play tennis; we will group them according to their ability. Parents are welcome to watch lessons and ask questions. Our tennis camps are **recommended for students going into fourth through tenth grades next fall.**

Beginners are always welcome. We will have a morning and afternoon camp with prizes!

Bring a friend, a tennis racket, sun screen and enthusiasm! You will have fun!

See you this summer,

Randy Nelson – Preble Boy's Head Coach
SWHS Girls Head Coach
562-2140

Bill Simon and Bill Zigmund
Preble Boys Asst. Coach
SWHS Girls Asst. Coach
