

Preble Girls Basketball Camp

We will be offering a unique camp this year. It will consist of three sessions occurring throughout the July. Because you all have a variety of activities to schedule, we are hoping that spreading the camp out will allow all to be involved. This format will also provide the campers time in between sessions to work on the skills being taught. Ideally, you will be able to attend all three sessions.

Coach Proctor supports the idea that “basketball **teams** are made **during the season**, while basketball **players** are made **during the off season**”. All of the basic fundamentals will be taught and reviewed including ball handling, shooting, passing, rebounding, position play, individual defense and team defense. All sessions will be in the main gym at Preble High School.

Please check which sessions you will be attending. The cost is \$15 per session plus \$10 for a camp basketball. The camp is open to girls entering 5th-9th grade.
